Growth & CX Product || 6 + years experience || B2C Consumer Internet || SPJIMR Mumbai

Professional Experience

Growth Product, MakeMyTrip (Post MBA) (January 2024 - Present)

Recipient of "Go tripper (best performer) of the month" twice in 1 year

Scaled business post-covid to 150 MN INR ARR & EBIDTA +ve** by leading growth charter for "International Hotels" business **:

Product discovery

- Introduced 'Loved by Indians' social proof tag on hotel listings page, driving a **15% increase in booking funnel** progression
- Conceptualized 'map view' on listings page to help **reduce decision fatigue for user**, increasing **CTR** to detail page by 18%

Funnel Conversion & Personalization

- Implemented '**A/B test**' to surface top amenities on hotel card, leading to selection of premium properties, 6% increase in AOV
- Ran **100+ user interviews** in collaboration with UI/UX to identify pain areas in hotel selection, launched 'Tool tips' to replicate travel agent guidance, uplift in **conversion rate by 11%**

CX Support - Gen AI Driven Cost Efficiency

- Designed **GPT powered** customer support RAG **chatbot** with 83% self serve rate, driving **38 crores** in annual **cost savings**
- Achieved **26% reduction in human agents** workforce by designing **Voice bot** to handle repetitive task & low complexity queries (refund ETA,status,etc.)

Stakeholder management

- Worked with a cross-functional team of **25+** people - engineers, designers, supply, business & customer success

CX Product Manager, MakeMyTrip (Pre MBA) (March 2022 - December 2022)

Led MMTBlack (high LTV) customers charter for providing differentiated experience

- Strengthened **customer loyalty** and value by co-designing a tiered rewards program with Marketing & CX teams, driving a **7% increase in retention** and 20% uplift in AOV

CX Program Manager, Zoomcar (Pre MBA) (January 2019 - March 2022)

Recipient of "Commandment Award - Cross Train Continuously" (in Process design, Product & Business Management)

*Led efforts in Zoomcar's shift to marketplace model, scaling largest host supply in India to **25K+ & 40% uplift in GMV***

Marketplace Operations & Launch Excellence

- Led post sales product **GTM** for **Zoomcar's launch in 3+ South Asian countries**, delivering the product on time for the launch
- **Automated payout systems** and shifted host from monthly to trip end payouts, resulting in **13% lower host churn**
- To address delays in car delivery, orchestrated **3rd party API integration,** improving timely home deliveries India by 24%
- Built an internal alert dashboard to reduce car unavailability at pickup points, lowering no car cancellation by 38%

People Management

- Guided a **team of 5 (**2 Analyst & 3 AM**)**, setting **OKRs** to grow first-ever car sharing marketplace platform in 3+ countries
- Conducted monthly strategy reviews**, updated leadership on KPI progress** and product roadmap decisions

Executive Assistant - CEO's Office, Nash Ventures (Pre MBA) (May 2017 - Dec 2018)

- Led **$54M** crypto based fundraising (ICO) projects for 4 Singapore based clients, driving end-to-end **project delivery** by translating business goals into **GTM** roadmaps and orchestrating **Agile execution** across product & engineering teams

Education

MBA (**PGDM**) - SP Jain Institute of Management Mumbai, 2022 - 2024 (CGPA - 3.16 / 4) (**Tier 1** Institute)
